Dear John:-

Why dont you
write me oftner I get so
discouraged ^{more} thinking of
my crust mother she does
try to keep me up and keep
me kappy It is hard for
her to make endomect.
My glasses need changing
I find it hard to read
and write with these glasses
My medecines cost more
now all these things are
extra on mother I felt
bad easter because I had
no money to buy some
thing when I saw Andrea
with a plant for mother

when I had only a little
money I gave it to you
It hurts me because I cant
make it easier for her
and the rest off you seem
to forget she was good
to you all, she gets very
tired and has a tough boss
like the one I had It
is hard for her starting
out at 54 after being
home so long. I feel you
should tried to helps her
more. I had to help my
mother I regret I couldnt
give her more. If anything
happins to me take good
care off her Jimmy was up
up last week Jack ^{Fitz}
has a little boy I guess this
will be all I for this time
Love Dad
